## Preface

**Assalamu Alaikum Warahmatullahi Wabarakatuh.**

Praise be to the Lord, we are grateful to publish volume 8 issue 1 April 2018. In this issue six papers are published with the total number of 81 pages. The authors came from United Kingdom, Estonia and Indonesia.

The articles of this issues discuss about the concept of disaster management, nationalism in Ukraine, the SDGs program, women's representation in Parliament, public administrators, and public service in the health sector. Hopefully for the next issue, we will strive to improve the quality of the articles and make the selection of more restrictive articles so that the dissemination of insights and actual studies in the field of government and related issues can be well organized.

**Wassalamu Alaikum Warahmatullahi Wabarakatuh.**
